Future Leaders Initiative

An immersive, in-person summer certificate program for high school and community college students from Southern California

July 21-26, 2025

High school and community college students from Southern California will learn from industry leaders in both a university setting and through company visits. Gain valuable skills and leverage your FLI Certificate on college applications. **There is no cost to apply or attend.** All expenses for transportation, food and other required resources are covered by the program.

Program Areas

1. Leadership in a Digitally Driven World
2. Investment & Wealth Management
3. Real Estate
4. Healthcare Management & Policy
5. Digital Transformation
6. Entrepreneurship & Innovation

Increase college readiness while building financial & tech literacy

Prepare for careers in business, technology & entrepreneurship

Gain hands-on mentorship & professional training

Application Deadline: April 6, 2025

Must attend all sessions to receive certification.
