

BUILD · CALIFORNIA ·

Build California Summer Camp is a week-long, career exploration experience designed to inspire rising 11th and 12th-grade students to explore pathways in the construction industry. Through immersive activities, skill-building workshops, and industry engagement, the camp empowers young people to envision a future in the construction industry, while building confidence and community.

SUMMER CAMP

SOCAL
JULY 14 - 18

POWERED BY:

MCCARTHY®

BUILD · CALIFORNIA · SUMMER CAMP

- WHO:** Rising 11th & 12th graders
- WHAT:** A hands-on day camp designed to inspire and educate the next generation.
- WHEN:** July 14-18, 8:00 a.m. - 2:30 p.m.
- WHERE:** Samueli Academy, 1901 N Fairview St,
Santa Ana, CA 92706

WHAT YOU'LL LEARN:

- Key aspects of construction
- Safety & PPE practices
- Hands-on building activity
- Tool and technology demos
- A look at career pathways and people in construction
- A visit to a union apprenticeship training program
- Project tour of an active construction site
- Contractor showcase and panel discussion
- Group presentation experience
- Career & education mapping session

"It was interesting to see how the construction field is more expansive than I first realized. I learned that construction is not how a lot of people make it out to be; it is inclusive, it pays fairly well compared to other jobs, and people in construction are as educated as in many other fields."

- Kevin, Laguna Creek High School

Build California is a program of the [AGC Construction Education Foundation \(CEF\)](#), a 501(c)3 non-profit corporation that is dedicated to inspiring, engaging, and activating the next generation of construction workforce.
